

To: Interested Buyers

From: IPv4.Global, a division of Hilco Streambank

Date: February 10, 2025

RE: *Request for Proposals (RFP) - Sale of Two (2) ARIN /13 IPv4 Address Blocks
(1,048,576 IPv4 Addresses)*

***OFFER SUBMISSION FORM ON LAST PAGE OF OFFERING**

IPv4.Global, a division of Hilco Streambank, has been retained as the exclusive IPv4 broker for the seller, a large multinational telecom.

Description of Assets for Sale

- 1,048,576 IPv4 internet protocol version 4 numbers (“IP Addresses”) registered at the American Registry of Internet Numbers (“ARIN”).
- The IP Addresses are two full /13 blocks
- The IP Addresses will be delivered at closing free of any routing or use by Seller.
- The IP Addresses can be transferred to buyers in the following regional internet registries (“RIR”):
 - American Registry for Internet Numbers (“ARIN”)
 - Réseaux IP Européens (“RIPE”)
 - Asia Pacific Network Information Centre (“APNIC”)

LACNIC buyers will be considered, subject to provisions to accommodate timing issues.

Qualified Bidders & Minimum Lot Sizes

- Hilco Streambank will entertain offers only from proposed buyers with the financial wherewithal and resources to complete a transaction involving the IPv4 addresses (a “Qualified Bidder”).
- Qualified Bidders must be capable of receiving approval from the RIR where they will be transferring the purchased IPv4 addresses.
- Hilco Streambank will entertain offers for either (a) All of the IPv4 addresses, or (b) portions of the IPv4 addresses.
- The seller is open to selling the blocks as 2 complete /13’s or in smaller blocks with a minimum block size of /16.

Mutual Non-Disclosure Agreement (NDA)/Diligence

All diligence, including the name of the seller and the available ranges will be provided under the terms of a Mutual Non-Disclosure Agreement. If you are not already under NDA with us, please contact a Hilco Streambank representative and we will provide you with our form NDA. You can submit an offer subject to diligence of the IP Addresses if you prefer to sign an NDA after your offer has been accepted. You will have three (3) days after submission of your offer to conduct diligence on the blocks.

Submission of Offers

Offers can be submitted on the attached Offer Submission Form (page 5 of this document) or on the corporate letterhead of the Qualified Bidder or its legal counsel, with the following information:

- (1) Full name and identity of the Qualified Bidder;
- (2) The quantity of IPv4 blocks desired for purchase;
- (3) Total Purchase Price;
- (4) Expected closing date;
- (5) An express statement that if the offer is accepted, the Qualified Bidder is ready, willing, and able to execute a Purchase Agreement.
- (6) Confirmation that closing of the transaction is not conditioned on any additional consents or approvals, or if additional consents or approvals are required, provide a schedule including anticipated timing.

Offer Submission Deadline

Interested buyers should submit proposals no later than **Friday February 28th at 11:59 PM EST** (the "Offer Deadline"). Hilco Streambank reserves the right to negotiate and consummate a transaction with an interested party at any time, before or after the Offer Deadline, or to withdraw the assets if no acceptable offers are received. Accordingly, interested parties are encouraged to submit proposals as soon as possible.

Please submit proposals to IPv4.Global by email or overnight courier as follows:

IPv4.Global c/o Hilco Streambank
1500 Broadway, Suite 2600
New York, NY 10036
Attn: Hank Weiss
Email: HWeiss@hilcoglobal.com with a copy to buy@ipv4.global

Purchase Agreement

After acceptance of an offer, the Qualified Bidder should be prepared to enter into a Purchase Agreement (“PA”) with the Seller in a form reasonably acceptable to both parties. Parties can review a draft form PA in advance of the bid deadline under NDA.

The PA shall contain customary terms and conditions, such as:

- Wiring the purchase price to a third-party escrow account
- Sale subject to approval by the relevant RIRs
- Hilco Streambank will work with the Qualified Bidder(s) to complete the transfer of the IPv4 addresses.
- All RIR transfer fees and transfer related taxes (if any) paid by the invoiced party.

Financial Wherewithal

We will only consider offers from companies with the requisite financial wherewithal to close the proposed transaction. We may ask proposed Buyer’s for documentation demonstrating such financial wherewithal, including, without limitation, proposed source(s) of financing, financial statements, letters of support from external financiers indicating financial wherewithal to close the proposed transaction. We will gladly execute an NDA in advance of receiving any information that proposed buyers deem confidential.

If you are interested in participating in the process and/or if you have any further questions, please contact us.
